

Productivity in Prod

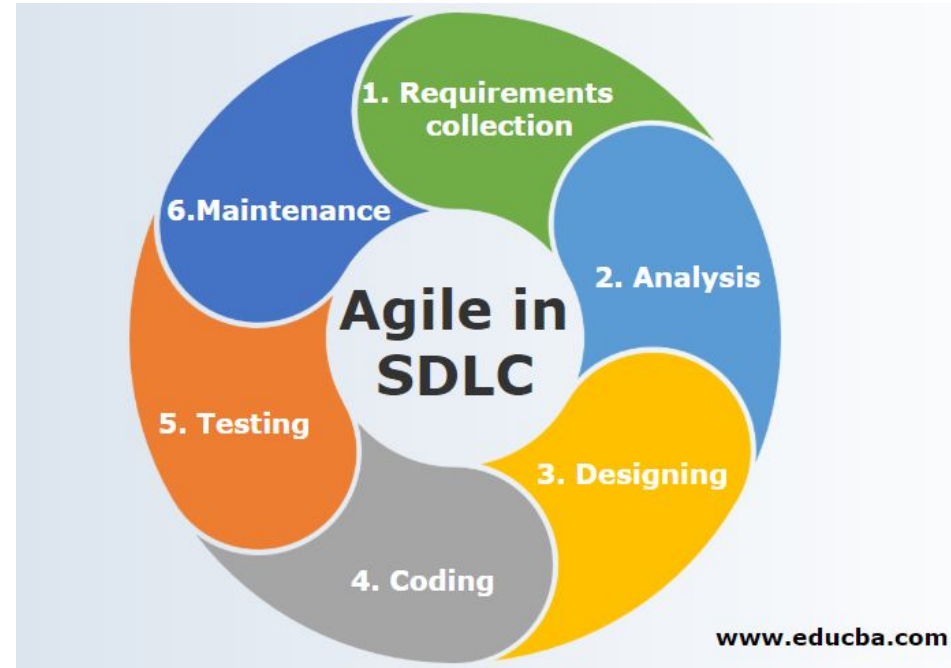

By Vaibhavi Singh

www.vaibhavisingh.com

The What

- Brainstorming
- Prioritising
- Prototyping
- Developing MVP1
- CI/CD
- Ticket tracking

5371 6479

The Where

- Local
- Dev
- Stage
- Prod

The Why

- Collaboration
 - Value delivery
 - Product Feedback
 - Business Impact
-

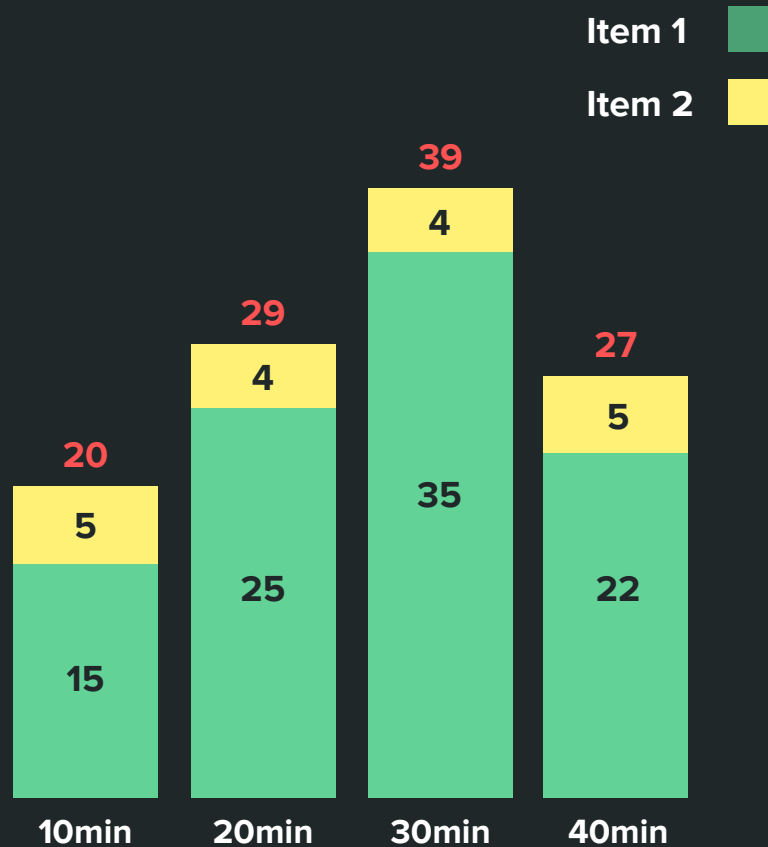

But How?

5371 6479

The Oh!

Key factors that hinder progress
in Software Development

Include a table or graph to display what you see

Conclusion

1. Tools
2. People
3. Code

“Fail early, fail often,
but always fail
forward”

- John C. Maxwell
